

ACROSS THE OCEAN

Across the ocean
You sent me your love
And I could feel it
Tender love

Across the ocean
Silent water
Deeply reaching
For the fire

Ah - ah ah
Ah - ah ah ah
Ah - ah ah
Ah - ah ah ah

Across the ocean
You gave me your heart
And I could hold it
Tender heart

Across the ocean
On my wings
Deeply breathing
Humid air

Ah - ah ah
Ah - ah ah ah
Ah - ah ah
Ah - ah ah ah
