

BYE-BYE

How many days
How many weeks we've spent together
Without a word
How many times we said goodbye
And knew it wouldn't hurt

We go around and see different things
Anytime
Anywhere
I don't know why this time there should be
Any difference
Any difference

Bye-bye
I'll see you soon
Back home
Bye-bye
Just wait for me

Bye-bye
I'll see you soon
Back home
Bye-bye
Just wait for me

You said it bothers you
We didn't know what to talk about anymore
That makes me mad cause I don't think
That this is true
That's what I said to you

Leaving under these circumstances
Is kind of strange
'cause now the best thing could happen is if
I changed
If I changed

Bye-bye
I'll see you soon
Back home
Bye-bye
Just wait for me

Bye-bye
I'll see you soon
Back home
Bye-bye
Just wait for me
