

**CARAMEL**

I haven't heard a word from you  
Since we left  
Time feels long  
The timing's right  
I hope you're on it

**Caramel in my heart  
Caramel in my heart**

My socks are wet  
The rain came through  
I saw it coming

The river's long  
The tide is high  
The water's calling

**I feel  
Caramel in my heart  
Caramel in my heart**

**Caramel**

Turn, turn, turn around  
Turn, turn, turn around  
Turn, turn, turn around  
Turn, turn, turn around

**Caramel  
Caramel  
Caramel...**
