

EVENTUALLY

What do you want
Don't you remember

That
Eventually
I'll cause more than trouble

That I could
Eventually
Cause more than trouble

Bore yourself
I can't help you

The party is over
I warned you

That
Eventually
I'll cause more than trouble

That I would
Eventually
Cause more than trouble

Why this look
Don't act surprised

The world is bad
And I'm not nice

Eventually
I'll cause more than trouble

Yes, I could
Eventually
Cause more than trouble

I should
Eventually
Cause more than trouble

Hmmm...
Eventually...
