

## **FULLTIME RUNNING**

Packing my stuff  
Going out of the house  
After all plants are doused  
I guess I'll be gone for a while  
Found a home I wanna try

**Fulltime running  
My life has started  
This goes beyond  
What I expected**

**Fulltime running  
My life has started  
This goes beyond  
What I expected**

I focused way too much on you  
I just forgot what there's to do  
Now that I know how nice it is  
I don't regret what all I missed

**Fulltime running  
My life has started  
This goes beyond  
What I expected**

**Fulltime running  
My life has started  
This goes beyond  
What I expected**

**Fulltime running  
Fulltime running  
Fulltime running  
Fulltime running...**
