

I UNDERSTAND

Why can't you tell me you don't want to meet anymore?
Instead I'm waiting for your calls
And practice my patience again

Why don't you just tell me you didn't like the night we spent?
Would be easier for me
Cause now I cannot think of an end

Oh-oh-oh-oooh

**I understand you don't need me
That's alright, right?
I understand you don't want me
And I'm not used to fight
So**

I decided to go on without you
I'm sorry that I forgot
To ask your opinion

I don't think you got
That I really fell in love with you
Well I'm glad that's over now
I didn't like myself desperate at home

**I understand you don't need me
That's alright, right?
I understand you don't want me
And I'm not gonna fight
No!**
