

NOT ALONE

I'm sorry to interrupt you
I have to go and pack my things
Before I leave
It's already late
I kind of need to hurry
Although I'd really love
To listen to your worries

You're not alone
You're not alone

**You're not alone
Even when I'm gone
Your heart is always right
Next to mine**

**You're not alone
Just keep that in mind
Your heart is always
Next to mine**

Now we're a thousand miles apart
And it suddenly feels like a second start
The distance somehow brings you
Closer to me
How you think and what you do
Is now easier for me to see

**You're not alone
Even when I'm gone
Your heart is always right
Next to mine**

**You're not alone
Just keep that in mind
Your heart is always
Next to mine**
