

PATIENT HEART

Don't tell me you're not good enough for me
'Cause when I see you
I can't control it
My heart goes
Boo boo boo boom
Boo boo boo boom

Wow!

Take your time
There's no reason to hurry up
I know you can't be always right
Meanwhile, my patient heart goes
Boo boo boo boom
Boo boo boo boom

Wow!

**My patient heart
My patient heart goes
Boom boom boom**

**My patient heart
My patient heart goes
Boom boom boom**

**Boom boom boom
Boom boom boom**
