

WAITING IN THE CITY

I'm waiting in the city
I'm waiting too long
Waiting for you
I won't give up

I can't find my flowers
I brought them just in case
To smash them over you
And then give up

**Honey, oh,
Honey, oh,
Honey, oh,
Where did our love go
Where did our love go**

I'm waiting in the city
Too long
I'm waiting for you
I just gave up

**Honey, oh,
Honey, oh,
Honey, oh,
Where did our love go
Where did our love go**

**Honey, oh,
Honey, oh,
Honey, oh,
Where did our love go
Where did our love go**
